1978	)	

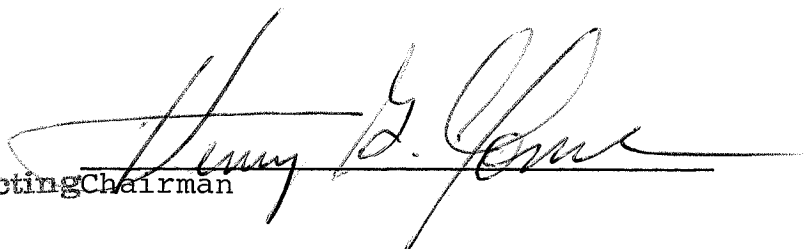

On March 20, 1981, the South Carolina Public Service Commission (hereinafter "the Commission") issued its Order No. 81-214 in the instant Docket whereby the Commission, inter alia, required South Carolina Electric and Gas Company (hereinafter "SCE&G") to file by April 20, 1981, rate schedules and certain additional contractual provisions regarding the purchase and sale of electricity to certain cogeneration and small power production facilities. On April 20, 1981, SCE&G submitted to the Commission's Executive Director rate schedules, Agreement for Purchase of Power from a Small Power Production Facility or Cogeneration Facility, and Terms and Conditions for Purchasing from Qualifying Small Power Production Facility and/or Cogeneration Facility (hereinafter collectively referred to as "the rate schedules and contract provision"). The rate schedules and contract provisions were designed in accordance with the terms of Order No. 81-214.

After a review of the rate schedules and contract provisions, the Commission is of the opinion and so finds, that said rate schedules and contract provisions comply with the requirements delineated in Order No. 81-214.

IT IS THEREFORE ORDERED:

1. That the rate schedules and contract provisions filed by SCE&G on April 20, 1981, be, and hereby are, approved.
2. That all provisions and requirements of Order No. 81-214 remain in effect as originally promulgated.
3. That this Order remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

  
Acting Chairman

ATTEST:

  
Executive Director
